FROM MASS TO MISSION

Liturgy and Evangelization

Every Sunday, Catholics gather to attend Mass. At Mass, we give God our thanksgiving, praise, and worship. We hear his Word and celebrate the Eucharist. Participating at Mass is the most important thing Catholics do each week, for it is at Mass that we are changed, becoming what we receive, the Body and Blood of Christ. The Mass charges us with an important mission—to be Christ in a world that is broken and in need of healing. This *Ministry Enrichment Gathering*® will catechize and inspire the participants to deepen their participation in the liturgy and involvement in the mission of Christ and his Church.

Turn to page 12 for more information on how to bring this gathering to your parish, region, or (arch)diocese.

Training Opportunities

LITURGY TRAINING PUBLICATIONS is partnering with individual parishes, clusters of parishes, and dioceses across the country to promote the liturgical formation of pastoral ministers and all the faithful (CSL, 19). Through conversation and collaboration, we have identified needs, challenges, and opportunities and have responded with the development of a variety of formation and training opportunities—delivered virtually and onsite. Through the *Ministry Enrichment Gathering*[®], *Virtual Workshops*[™], and now the National Gathering on Christian Initiation, LTP provides those who serve the liturgy with the foundation and spiritual enrichment they need.

National Gathering on Christian Initiation[®]

9 Conference for Catechumenal Ministers
and Pastoral Leaders

The first National Gathering on Christian Initiation (NGCI) conference will be held on July 5–6, 2017, in Chicago, Illinois, where catechumenal ministers and pastoral leaders from around the country will gather to explore the vision of the *Rite of Christian Initiation of Adults* and its implementation in the twenty-first century.

The NGCI is organized into two tracks for:

- parish leaders and initiation ministers
- regional or diocesan leaders and trainers

Evangelization, liturgy, and catechesis are the foundational elements of the event as a whole and in all of its elements. The event will employ principles and methods of adult formation, including opportunities for participants to share their knowledge and experience. In addition to theoretical and theological topics, the two tracks will separate to discuss the practical skills of their ministry: [1] what skills are needed in parish ministry or [2] how do I best return home after the NGCI and encourage and form initiation ministers in my diocese or region?

Registration information including costs, presenters, topics, and incentives are available at www.NationalGatheringonChristianInitiation.org.

MINISTRY *enrichment* GATHERING[®]

The *Ministry Enrichment Gathering*[®] offers dioceses, regions, vicariates, and parish clusters the opportunity to collaborate with LTP in providing formation, prayer, and training for those involved in the Church's liturgical ministries. The themes offer local communities the opportunity to provide professional training and formation to their parish staffs, catechists, and liturgical ministers. Each theme is designed to invite Catholics to a deeper understanding of the liturgy and its connection to their lives, the mission of the Church, and the formation of the parish community.

Informed by the adult education methods proven successful in live workshops, LTP's *Virtual Workshops*[™] will provide your liturgical ministers, catechists, and parish staffs with access to engaging, professional presentations from the comfort of their home, office, or parish center.
