“The banners are stunningly beautiful! They are magnificent. Awesome and amazing are overused words at the present time and truly don't do justice to the quality, artistry and brilliance of these banners...”

Tom Saretsky, Saskatoon, Canada

Recommendations...

“The banner is in situ and received many compliments at parent's evening last night. ...well worth the effort as the banner looks truly magnificent! Again a huge thank you for your work...”

St Anselm's R.C. Primary School, Southall

“Thank you so much for your amazing work. The banner is absolutely fantastic! The parcel was left in my room today and I jumped for joy at the sight of it. The students love it and without doubt I can say we will all be proud to carry it at the combined school mass... Your talent and hard work has been greatly admired and brought much joy to the pupils and school staff.”

St Joseph's College, Stoke-on-Trent

“Thank you for the banner and processional pole. The banner is fantastic and has been much admired!”
