Be Still

A prayer resource for schools and parishes
By The Benedictine Sisters of Turvey Abbey

Meditating with the senses

12 Powerpoint presentations & PDF book on CD-ROM.

Be Still introduces children and their teachers to a variety of meditative approaches to prayer. Young children have an innate capacity for quiet, reflective prayer and respond well to traditional meditative techniques. These meditations are based on *The Senses*, *The Old Testament* and *The New Testament* and can be used as part of an R.E. or Catechetical programme or as stand-alone sessions. Each meditation is supported by a PowerPoint presentation.

Be Still offers a range of reflective exercises which are designed to build upon children's natural gifts and also to introduce them to traditional forms of Christian meditation.

Be Still

A prayer resource for schools and parishes
By The Benedictine Sisters of Turvey Abbey

Meditating with the senses

12 Powerpoint presentations & PDF book on CD-ROM.

Be Still introduces children and their teachers to a variety of meditative approaches to prayer. Young children have an innate capacity for quiet, reflective prayer and respond well to traditional meditative techniques. These meditations are based on *The Senses*, *The Old Testament* and *The New Testament* and can be used as part of an R.E. or Catechetical programme or as stand-alone sessions. Each meditation is supported by a PowerPoint presentation.

Be Still offers a range of reflective exercises which are designed to build upon children's natural gifts and also to introduce them to traditional forms of Christian meditation.
