### Will they fit my lectern?

Frontals come with cord locks that enable you to adjust the hanging height and width for most free-standing lecterns.

If you are unsure whether our frontals will fit your lectern, please contact us and we will advise you.

† **IMPORTANT, before ordering:** The sloping book rest should have a front projection of at least 5cm. Frontals hang below and tie around the lectern's front projection. Cord locks adjust for width and height.

DELIVERY: Allow 10-14 days from date of order. Add an extra 7 days if adding your own text.
