Personalised **BANNERS & LECTERN FRONTALS**

About our Banners & Lectern Frontals We have been making banners and lectern frontals for schools, churches and organisations for well over a decade. They are produced with **longevity** in mind and are made from a close weave, 'natural-feel', 100% polyester **fabric** and are digitally printed using a high definition dye-sublimation process, they are colour fast, fade resistant and have fire retardant properties (BS5867/TypeB DIN4102).

In creating your banner we can **advise** you in producing a fully customised banner to suit your requirements.

There are over 550 images from our stock poster/banner range that can be used as your main image to build your banner around or you can use your own **logo/emblem**.

Add any text you want around the main image. There is no limit on the amount of text or colours that can be used.

We can help you create your own individual quality unique banner...

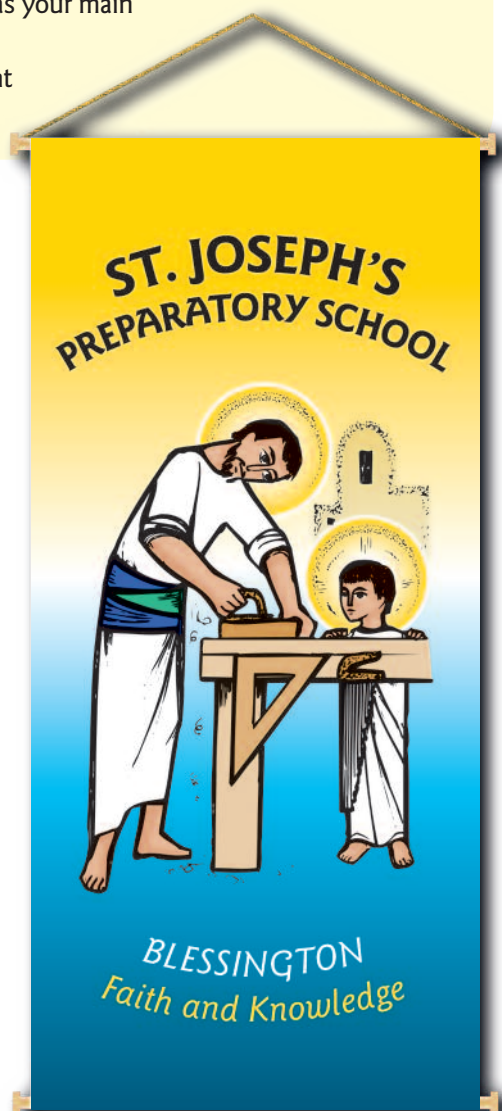

How is it done?

Email or phone us with the following information...
