## What is Beauty?

A guide for Christian schools

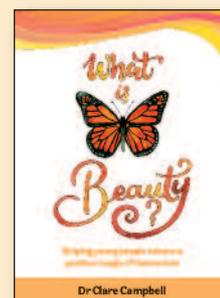

Helping young people to have a positive image of themselves

**Dr Clare Campbell**

The author explores concerns that our 'selfie' culture is making our children so obsessed with their physical beauty that they forget what is really important – the true beauty of their hearts and souls.

The book also raises concerns about the beauty industry, advertising and social media and explores inner beauty through the Scriptures, the Word of God, the lives of the Saints, natural beauty and the beauty of the Holy Spirit.
