### The Footsteps of Christ BOOK

16 Prayerful meditations to accompany the posters

The journey to the cross is the story of each person's passage from life to death to life; thus from station to station we are led in meditation on the cross in the world today.

These inspired illustrations of Christ's journey to the Cross and beyond are presented to us through colour and symbol. The artist has sought to describe her inspiration for each painting with scripture references, which have been combined with meditations and prayers.

### Journey to the Cross DVD

16 Prayerful meditations with images, narration and music

This DVD traces Christ's journey to the cross, from Peter's sad denial of his Master and Jesus' willing acceptance of his cross to the crucifixion and entombment, ending with the joy and hope of the resurrection. From the sombre, dark and beautiful presentation of the entombment we meet Christ risen in glory: darkness to light, sorrow to joy, despair to hope, death to resurrection.
