## A YEAR OF MINDFULNESS

Clare Campbell presents us with this little treasure of a book, filled with meditations that she has used with children for Collective Worship. A Year of Mindfulness carries the reader through the Liturgical and School Year, with weekly meditations, mindfulness exercises and scripture for each week. The book can act both as a guide to the practice of mindfulness in schools and as a source of Collective Worship Inspiration.

## What is Beauty?

Helping young people to have a positive image of themselves

The author explores concerns that our 'selfie' culture is making our children so obsessed with their physical beauty that they forget what is really important – the true beauty of their hearts and souls. It also raises concerns about advertising, social media and explores inner beauty through the Word of God and the Holy Spirit.
