Jen Norton has a passion for art and its ability to get her message across. After a decade working as a Graphic Designer in Silicon Valley, she left to raise her daughter and pursue painting.

Her paintings depict moments of faith, family and home, revealing the principles of finding God in the ordinary things that her education instilled in her. Jen wants to show the love of Christ in her joyful and colourful and style.

FAITH AND FOOTBALL

NEW book by Fr. Marc Lyden-Smith

What lies at the heart of a football club?

In this compelling and uplifting new book, to be published on 1st September 2026, a Catholic priest and Premier League club chaplain takes readers on a fascinating journey into the soul of the beautiful game. Drawing on years of pastoral experience among players, managers, staff and supporters, Father Marc Lyden-Smith reveals the human stories that unfold both on and off the pitch. From the dedication of club employees and coaching teams to the passion of fans and the bonds that unite communities, this book explores football as far more than a sport - it is a source of identity, belonging and hope.

With unique reflections on football's connection to the saints, the intensity of local rivalries, and the remarkable rise of women's football, the author offers fresh insights into the values, challenges and inspirations that shape the modern game. Warm, engaging and thought-provoking, this is an essential read for football supporters, people of faith, and anyone interested in the power of sport to bring people together.

SACRED TRAILS

Sacred Trails invites children and adults from Schools and Parishes to come away and join, on a series of sacred trails, focusing upon Christian stories and festivals.

Sacred Trails is about whole communities: It is about everyone working together, sharing in their learning, story, activity, stillness and reflection.

Each chapter (Advent, Easter, Pentecost, Fragile Earth in the Season of Creation) includes a description of the entire day with illustrations for craft activities and advice for setting up.

This is the sharing of an experience of exploring sacred trails through Christian stories and festivals; we hope that the principles are applicable to other faiths and perspectives.
