UNDERSTANDING THE SACRAMENTS OF INITIATION: A RITE-BASED APPROACH

Randy Stice

Paperback, 6 x 9, 256 pages
978-1-61671-313-3
Order code: USI **\$21.95**

E-book: Google Play, Apple iBook, and Amazon Kindle **\$17.95**

Guiding readers through the rites of Baptism, Confirmation, and Eucharist, *Understanding the Sacraments of Initiation* examines each of the rites' Old Testament foundations, liturgical history, and sacramental theology, exploring the connection between the sacraments of initiation and daily Christian life. Focusing on the language and structure of the rites themselves, Fr. Stice provides an illuminating reflection on the liturgy as an encounter between God and his children in Christ and the Holy Spirit, inviting readers to participate more fully, consciously, and actively in dialogue with the Trinity through the words and actions of the sacramental celebration. Designed for those involved in preparing others for the sacraments of initiation, and to facilitate use in adult faith formation groups, religious education classes, diaconate programs, and undergraduate sacraments courses, this volume includes a number of activities to help the reader review and synthesize material, explore a topic in greater detail, or deepen his or her experience of the liturgy.

FR. RANDY STICE is the associate director of the Secretariat of Divine Worship for the United States Conference of Catholic Bishops. He holds an MA and an STL in liturgy. He taught in Canton (Guangzhou), China from 1980 to 1983 (employed by UCLA and the Chinese Ministry of Education). He trained missionaries to teach ESL in London, Amsterdam, Hawaii, Perth, Canberra, and Brisbane. He has more than twenty-five years of classroom teaching experience, from graduate level to third grade.

"Drawing on the ancient tradition of mystagogy, Randy Stice makes the sacraments and the liturgical rites not only understandable but also exciting. In this wonderful, accessible series we are treated to an unusually clear and beautiful recounting of the sacraments, including extensive attention to their biblical foundations and liturgical enactment. These fantastic books are now at the top of my list for anyone, scholar or layperson, in need of a liturgically sophisticated sacramental primer."

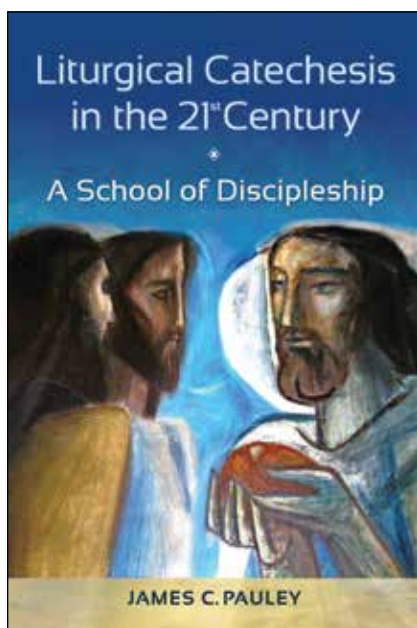

—Matthew Levering, PhD, University of St. Mary of the Lake / Mundelein Seminary

"Randy Stice's rite-based approach combines a comprehensive treatment of theological issues with a pastoral walk through the celebration, which is what most people will encounter. Thus these slender volumes are accessible to the lay reader but challenging to students of theology."

—David W. Fagerberg, PhD, Professor, Liturgical Studies, University of Notre Dame

"Randy Stice offers a rich yet accessible resource for the promotion of a truly liturgical spirituality. Stice's rite-based approach provides the reader with a thorough understanding of each sacrament in its scriptural and ritual context and a consideration of how each transforms the faithful for the fullness of Christian life. I highly recommend this resource for both parish and classroom."

—Daria Spezzano, PhD, Assistant Professor of Theology, Providence College

DR. JAMES PAULEY is a faculty member at Franciscan University, where he has taught for twelve years in the largest undergraduate catechetics program in the country. He speaks annually at the St. John Bosco Conference for catechetical leaders and frequently gives presentations at national and diocesan conferences.

Dr. Pauley is the editor of *The Catechetical Review*.

LITURGICAL CATECHESIS IN THE 21ST CENTURY: A SCHOOL OF DISCIPLESHIP

James C. Pauley

Paperback, 6 x 9, 256 pages
978-1-61671-360-7
Order code: LCC **\$28.95**

E-book: Google Play, Apple iBook, and Amazon Kindle **\$23.95**

Critically reflecting on the work of liturgical catechesis, Dr. James Pauley explores the sacred action most essential to forming genuine disciples: the transformative encounter with God in the liturgy. He offers a careful study of the twentieth-century intellectual influences upon liturgical catechesis, inviting readers to consider a new vision for sacramental preparation and mystagogical catechesis with practical examples of how this vision may unfold in the life of the parish.

"In this inspiring book, James Pauley retrieves and updates the integrated catechetical vision so much desired in the lead up to Vatican II. Like a true Christian scholar, he brings forth things old and new—from the insights of Jungmann to the recent calls of Benedict XVI and Francis for a mystagogical renewal. Pauley demonstrates that the liturgy is, and always has been, the key to effective catechesis. [This book] deserves to become a standard text for every religious education program in the training institutes of the English speaking world and beyond."

—Dr. Gerard O'Shea, Associate Professor of Religious Education, University of Notre Dame, Sydney, Australia

"Imagine a parish that is 'steeped in a culture of transformative liturgical encounter' with the risen Christ.... James Pauley shows us how to be that parish, by exploring the early Christian process of liturgical catechesis as a process of apprenticeship in forming missionary disciples. He describes what is essential to liturgical catechesis, speaks about its challenges, and shares insights from concrete pastoral applications."

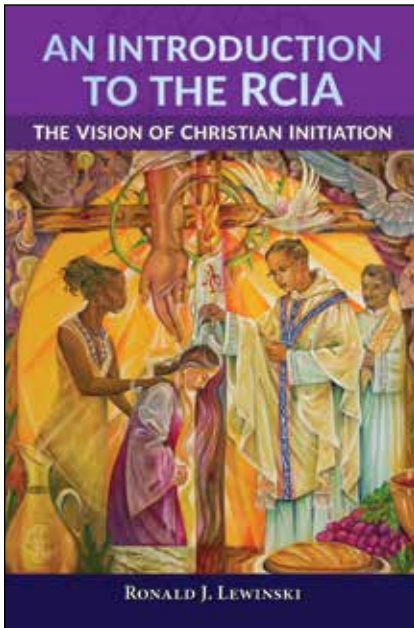

—Ximena DeBroeck, Assistant Professor of Sacred Scripture, St. Mary's Seminary & University, Baltimore, Maryland

"James Pauley ... draws upon resources from the liturgical movement, the savoir faire of catechists in the field, and his own experience in sacramental formation to develop a contemplative approach to catechesis. This book should be read by all involved in the art of liturgical and sacramental catechesis."

—Timothy P. O'Malley, PhD, Director, Notre Dame Center for Liturgy; Editor, *Church Life*; Concurrent Associate Professional Specialist, Department of Theology, University of Notre Dame

"With the skill of an historian and the heart of a catechist, James Pauley presents a compelling vision for a contemporary renewal of parish life, a renewal based on helping our people to better encounter God in the sacraments. This book will change the way we look at catechesis.... I highly recommend it."

—Most Reverend James Wall, Bishop of Gallup, New Mexico

AN INTRODUCTION TO THE RCIA: THE VISION OF CHRISTIAN INITIATION

Ronald J. Lewinski

Paperback, 6 x 9, 112 pages

978-1-61671-355-3

Order code: EIR CIA

Single copy: **\$7.95** | 2–4 copies: **\$6.95** each | 5 or more: **\$4.95** each

E-book: Google Play, Apple eBook, and Amazon Kindle **\$5.95**

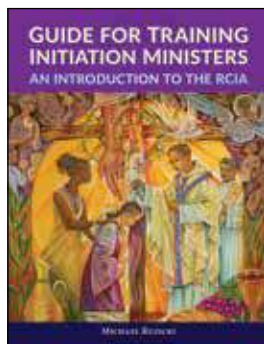

In *An Introduction to the RCIA: The Vision of Christian Initiation*, Fr. Ron Lewinski offers a thorough and accessible guide to the *Rite of Christian Initiation of Adults* (RCIA). Beginning with the Great Commission to “Go, therefore, and make disciples of all nations,” Fr. Lewinski invites readers to experience the RCIA not as an institutional program, but rather as the ritual expression of this apostolic mandate in the life of the modern Church (Matthew 28:19–20). Recognizing the role of age, background, contemporary culture, societal values, and local resources in the way any given community responds to those who seek initiation into the Church, Fr. Lewinski focuses on the wisdom of the RCIA as it pertains to the human condition in every time and place.

REV. RONALD J. LEWINSKI was a priest of the Archdiocese of Chicago, where he served as the co-director of the Department of Parish Vitality and Mission. Fr. Lewinski is recognized as a pioneer in the implementation of the *Rite of Christian Initiation of Adults* and served on a USCCB committee as member of the RCIA task force. Respected for his pastoral wisdom, Fr. Lewinski was a speaker throughout the United States and internationally on Christian initiation, liturgy, and pastoral issues.

Designed for new and experienced initiation ministers, and those who serve as sponsors, catechists, coordinators, priests, deacons, and parish leaders, this guide will lead readers to a greater understanding of the spirit of the rite, its vision for forming intentional disciples, its pastoral components, and its ritual language. Throughout the book, questions for reflection and discussion encourage readers to consider how to better incorporate the vision articulated in the *Rite of Christian Initiation of Adults* into the life of their local community.

“Fr. Ron Lewinski has more experience with the Rite of Christian Initiation of Adults than almost any other person on earth. He will bring you intense knowledge, practical guidance, gentle challenges, and increased confidence. If you want a basic knowledge of Christian initiation, and if you have not met this author, you owe it to yourself to read this book.”

—Fr. Paul Turner, Pastor, St. Anthony Parish, Kansas City, Missouri; Director, Office of Divine Worship, Diocese of Kansas City-St. Joseph

—Fr. John Thomas Lane, sss, Pastor, St. Paschal Baylon Church, Highland Heights, Ohio

"I hope that priests will take this insightful book to heart and realize the breadth of their ministry in Christian initiation. God calls them to journey with their parish in evangelization and with all who seek Christ. Their attention to words, gestures, sights, and sounds will bring people to contemplate Christ. That is our work."

"O LORD, OPEN MY LIPS": THE PSALMS IN THE LITURGY

Dianne Bergant, CSA

LITURGY AND THE BIBLE SERIES

Available February 2018

E-book: Google Play, Apple iBook, and Amazon Kindle **\$7.95**

Scripture scholar Dianne Bergant, CSA, invites readers to a deeper understanding of the psalms and their distinctive role in the liturgy. Starting with insights from Pope Benedict's apostolic exhortation *Verbum Domini*, she immerses readers in the world of these beloved texts, which reveal God's self-revelation to the ancient Israelites and also to us. We learn how the psalms express the people's response to God, then and now, in prayers of praise, gratitude, trust, complaint, sorrow for sin, and hope in God's mercy. The author demonstrates the fascinating way the psalms operate in the Mass, the privileged setting for the Word of God—how they interact with the meanings of the other readings and allow the assembly to voice the key insights for the day. She then turns to the psalms in other liturgical settings: the sacraments, the Liturgy of the Hours, in liturgies of the Word, and in the practice of lectio divina. This book will enrich all who love the psalms and the liturgy, especially psalmists and cantors, proclaimers of the Word and other liturgical ministers, seminarians, students, Scripture sharing groups, and ministers of care.

DIANNE BERGANT, CSA, is the Carroll Stuhlmueller, CP, Distinguished Professor Emerita of Old Testament Studies at Catholic Theological Union in Chicago. She holds a PhD in biblical languages and literature from St. Louis University, has served in the leadership of numerous academic Scripture associations, and is the author of many articles, chapters, and books.

Michael Dauphinais and Matthew Levering have assembled an impressive collection of essays from an array of notable scholars whose stunning insights offer a unique point of reference for those interested in both Aquinas and sacramental theology.

"Here is an account of the sacramental mysteries which shows them as at once utterly objective, as manifestations of God's grace, and yet also opportunities for doxology: the human expression of praise, gratitude, and obedient service. And this is exactly what the Church needs from sacramental theology at the present time."

"[This book] starts with real Latin texts, and builds the student's knowledge of morphology and syntax naturally upon the study of those texts. It is designed [for] theology students...; but the book would also be useful for busy priests learning to say Mass in Latin, or for laypeople who desire to understand the Latin Mass."

This second edition of David Fagerberg's groundbreaking work seeks to distinguish liturgical theology from a general theology of worship.

"Amid the manifold and complex interaction between liturgy and theology David Fagerberg stresses the way in which the worshipping congregation intellectually, spiritually, and practically processes its encounters with the living God, and this he calls 'primary theology.' Familiar with the classic texts and the surrounding literature, the author here makes a thoughtful and vigorous contribution to an ancient topic but also to a discussion that has been taking place since the Second Vatican Council, and not only in the Roman Catholic Church."

Steeped in the Benedictine tradition and informed by decades of service to the poor in Peru, Dom David Bird offers a profound reflection on the intimate relationship between liturgy and spirituality. Beginning with a close reading of each of the Beatitudes, Fr. Bird focuses on the imagery at the heart of this "road to joy," taking the time to interpret how each of the Beatitudes can help us to live as Christians in the world today. After considering the examples of St. Seraphim and St. John Vianney, Fr. Bird turns to the celebration of the liturgy, exploring the language of the Mass from beginning to end. He embraces a spirituality informed by the Beatitudes, and explores the potential implications of a liturgy that takes the teachings of Jesus to heart.

Dedicated to preserving and developing "the right way to give the faith its central form of expression in the liturgy," each of these essays urges us to consider what forms of participation in the liturgy should be encouraged, what elements should be taken from the cultures which surround us, and what elements should be developed or emphasized from within our own liturgical tradition.

THE ANNUNCIATION TO MARY
A Story of Faith, Luke 1:26-38
 Rev. Eugene LaVerdiere, sss

Paperback, 6 x 9, 176 pages
 978-1-56854-557-8
 Order code: ANNUN \$16.95

Considering the Lukan account of the Annunciation from the perspective of Luke as painter and artist, Eugene LaVerdiere examines the scriptural narrative moment by moment. He delves into the language and theology used in the angel's greeting and Mary's response, offering an evocative analysis of Luke's artistic storytelling. Breaking open this stunning act of faith, LaVerdiere offers a poignant meditation on Mary as the icon through whom we come to see the face of God.

"Whether Luke painted the icons with pigments on wood, we do not know. But he surely painted with words in the Gospel, and through it on the canvas of the Christian imagination. In his story of the Annunciation ... Luke had all five qualities come together—historian, theologian, storyteller, person of faith, and artist."

THE FIRSTBORN OF GOD
The Birth of Mary's Son, Jesus, Luke 2:1-21
 Eugene LaVerdiere, sss; Paul Bernier, sss

Paperback, 6 x 9, 114 pages
 978-1-56854-609-4
 Order code: FGBMS \$12.95

Eugene LaVerdiere's liturgical analysis of the Lukan infancy narrative reflects on the birth of Jesus within the context of the Passion and Resurrection. Interpreting Christ's birth through the lens of the Gospel as a whole, LaVerdiere breaks open the mystery of the Incarnation, rediscovering the intimate link between Luke's romanticized account of the birth of Jesus and the mission at the heart of his life, ministry, and sacrifice. Challenging readers to move beyond a childhood understanding of Christ's birth, LaVerdiere offers a powerful reflection on the tensions that bind manger and Cross.

"In the reflections on the images in the Lukan Nativity story, Fr. LaVerdiere ... evokes new insights into the mystery of God with us."

THE HOLY SACRIFICE OF THE MASS

A Search for an Acceptable Notion of Sacrifice

Michael McGuckian, SJ

HILLENBRAND BOOKS® STUDIES SERIES

Paperback, 6 x 9, 144 pages

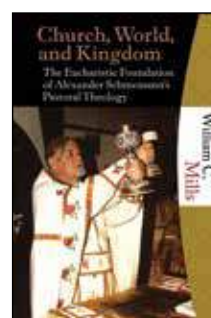

978-1-59525-007-0

Order code: HSCMS \$12.95

In this engaging study, Rev. Michael McGuckian, SJ, argues that "the concept of sacrifice is central to the whole vision of faith." Exploring traditional accounts of the sacrifice of the Mass in the writings of the Church Fathers, along with those of a variety of liturgists and theologians from throughout Church history, Rev. McGuckian proposes a tripartite view of the liturgy in which the Offertory, Eucharistic Prayer, and Communion are understood in light of traditional Old Testament accounts of the three-part model of sacrifice.

"Fr. McGuckian's tripartite view of the Mass offers every member of the People of God an active role in the joyous celebration of Christ's death and Resurrection. Thoughtful Catholics will find in this short study a great deal to nourish their faith."

Paperback, 6 x 9, 144 pages

978-1-59525-038-4

World-renowned Eastern Orthodox priest, pastor, professor, and theologian, the late Alexander Schmemmann continues to be recognized for his major contributions to the field of liturgical theology. Yet, as William C. Mills reminds us, Schmemmann's contributions hardly end there. A close examination of Schmemmann's writings reveal that some of his work also offers significant contributions to the field of pastoral theology, an important area of theology which, for Schmemmann, is intimately connected to the liturgy. In this study, Mills reveals the ways in which, for Schmemmann, the liturgy and the sacraments provide the essential sources for pastoral care. In Schmemmann's pastoral theology, the Eucharist serves as the source for all reflection, becoming the focal point for understanding the pastoral nature of the liturgy itself.

DINING IN THE KINGDOM OF GOD
The Origins of the Eucharist in the Gospel of Luke
 Eugene LaVerdiere, sss

Paperback, 6 x 9, 240 pages
 978-1-56854-022-1
 Order code: DINING **\$15.95**

In *Dining in the Kingdom of God*, LaVerdiere delves into the origins of the Eucharist as revealed in the Gospel of Luke, a story of meals and journeys. As readers journey through the Lukan tradition of noon meals, Sabbath dinners, banquets, and even of meeting and dining with a stranger on the road to Emmaus, LaVerdiere demonstrates the ways in which the origins of the practice and theology of Eucharist are revealed alongside the presence of Christ at various moments in the Gospel.

“A meal is not so much about food as it is about people. In all meals it is the guest list, not the menu, that matters. Blessings and prayers, liturgical and non-liturgical, have to do with the people who have come together to share the meal. That is what we hear in the words of Jesus.”

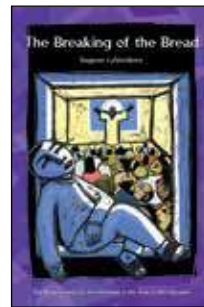

—From the Preface

THE BREAKING OF THE BREAD
The Development of the Eucharist According to Acts
 Eugene LaVerdiere, sss

Paperback, 6 x 9, 256 pages
 978-1-56854-148-8
 Order code: ACTS **\$12**

In *The Breaking of the Bread*, LaVerdiere first introduced Luke’s Gospel as a chronicle of Jesus’ journeys and meals along the way to Jerusalem. In this volume, LaVerdiere continues that line of thought with the Acts of the Apostles, where Luke continues to narrate the story of the meals and hospitality found in the life of the early Church. With LaVerdiere’s eloquent and accessible scholarship, readers will rediscover the origins of both the practice and theology of the Eucharist.

“Seeing Jerusalem and Rome through Luke’s eyes, dining with Jesus and breaking bread with the early communities, we live the feast wherever we go for the rest of our lives.... The moveable feast of Jerusalem and Rome stays with us even ‘to the ends of the earth’ (1:8).”

—From the Preface

THE SPIRIT OF CELIBACY

HILLENBRAND BOOKS® STUDIES SERIES
Paperback, 6 x 9, 196 pages
978-1-59525-023-0

In 1828, theology professors in the German university city of Freiburg issued a provocative statement calling for the abolition of mandatory celibacy for Catholic priests. A young Catholic theologian and priest, Johann Adam Möhler, responded with an article called "Illumination on a Memorandum," which not only refuted the contemporary arguments for clerical marriage, but passionately asserted that celibacy is a spiritual necessity for the priest. Exploring the social nature of celibacy and responding to concerns about the denial of personal freedoms and the shortage of priests—concerns which remain relevant today—this first English translation of Möhler's seminal work offers incredible insight into the often-controversial doctrine of priestly celibacy.

This unique collection of essays frames the parish with respect to its theological, pastoral, canonical, and civil status, offering an outline for further theological work.

"What is a parish? How does the parish community relate to the diocese? How does a parish relate to civil society, and how should civil society respect the integrity of the parish communities? ... Recognizing the importance of these questions..., the Dominican School of Theology sponsored a national conference entitled, 'Can You Tell Me What a Parish Is?' Participants included pastors, theologians, canonists, civil and constitutional lawyers.... This book offers the proceedings ... to foster further discussion around a topic that is vital to the Church and her mission."

—Rev. Michael Sweeney, OP, President 2004–2015, Dominican School of Theology, Berkeley, California

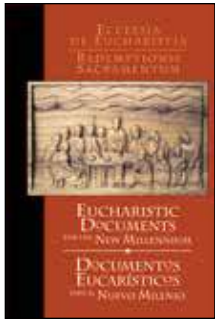

THE VIRGIN MARTYRS

A Hagiographical and Mystagogical Interpretation

Michael J.K. Fuller

HILLENBRAND BOOKS® STUDIES SERIES
Paperback, 6 x 9, 192 pages
978-1-59525-022-3
Order code: HVM **\$24**

In this incredibly innovative work, Rev. Michael Fuller examines the various interpretative approaches employed by those who study the lives of the saints. Adopting the stories of the virgin martyrs as his hermeneutical lens, Fuller assesses the merits of a contextual, literal, allegorical, analogical, and tropological reading of these stories and legends. He retrieves the catechetical context in which the lives of the saints were originally shared and proposes a more holistic approach to reading and interpreting the medieval legends of the saints for twenty-first century Christianity, arguing that these stories will only remain relevant as long as they are understood in the liturgical and sacramental contexts in which they were always shared.

Recognizing that many North American parishes serve a bilingual congregation in which priests, catechists, and parish staff may all be most comfortable in different languages, this volume assembles two essential texts for understanding both the theology of the Eucharist and the practice of celebrating Holy Communion. In *Ecclesia de Eucharistia*, readers will engage with Pope John Paul II's own deep and personal reflection on the relationship between the Eucharist and the Church, while in *Redemptionis Sacramentum*, readers will encounter instructions for the celebration of Mass and the proper distribution of Holy Communion.

With over 500 striking photographs of relevant art, sculpture, and architecture, this book offers more than a history, guiding readers on a multi-dimensional experience through the life of the Church.

"What you have here is a new enterprise, a discussion of the history of Latin Christianity along two parallel and complementary tracks—a conversation in two voices, each with its own specific qualities.... Art in all its forms allows us to see, historical narration explains and leads us to reflection. Both of these ways are necessary in order to understand clearly."

The Sacrament of Reconciliation: An Anthropological and Scriptural Understanding

Robert L. Fastiggi

“Dr. Fastiggi has provided an excellent resource for seminarians, graduate students, professors in theology, and lay Catholics who wish to understand the Sacrament of Reconciliation and its place in the New Evangelization more deeply. It clearly explains the sacrament’s biblical foundations, essential components, and development in doctrine and practice through the history of the Church, especially with regard to recent magisterial teaching. I look forward to using this book in my teaching.”
